TRIC's Sales Executive Jay Battin, and Technician Duane Cromleigh were happy to see so many familiar franchisees. Roto Rooter helped start the lateral [Pipe Bursting](#) phenomenon 14 years ago when Concord Roto Rooter's Joe Bristol introduced TRIC Tools to the Roto Rooter Franchise organization. TRIC was a preferred vendor at the event and shared space with 19 other vendors and brought Roto Rooter up to date on TRIC's latest technologies.

Both Mr. Battin and Mr. Cromleigh shared a tour of the strip, highlighted by the comedy magic of Mac King. Golf at the Lake Las Vegas course left golfers frustrated though inspired to take their game to the next level.
